EXPERIENCED GAINED

I've been able to obtain a better understanding of how a non-profit industry advocacy group works from a financial perspective.

I have also had the pleasure of connecting with other members and learn from their varied perspectives.

WORK WITH ACEC-ONTARIO

I've been working as a volunteer with ACEC-Ontario since mid-2019. I currently hold the position of Committee Member, Finance and Audit Committee.

ADVICE

If you are on the fence about volunteering - just start...

Also, ask lots of questions and spend time reading about the organization and industry.

WHY VOLUNTEER?

I wanted to get engaged in an external organization which still related to our industry. It's been a good opportunity to get a better understanding of what ACEC-Ontario does.

RELAX - WHAT'S YOUR FAVOURITE TRAVEL DESTINATION?
